### **PART II TEACHING PLAN**

#### **Introduction**

**ATTENTION:** Today, you will continue with the review of the aerospace education material found in *Aerospace Dimensions*, Modules 5 - 6.

**MOTIVATION:** What you have learned and practiced in these lessons and activities will continue to help you to understand future aerospace lessons and will enable you to pass the Amelia Earhart Test.

**OVERVIEW:** During this period, we will continue to review any area of the aerospace education lessons that you have questions on. We will begin with a brief discussion of the lesson material and then we will discuss the review questions.

**TRANSITION:** The instructor will review the information in the aerospace education material, beginning with an overview of the subject matter followed by a discussion of the review questions for each lesson. If the cadets have other questions relating to the material being discussed, encourage the cadets to ask questions at any time.

#### **Body**

**NOTE:** The instructor will use the review questions in the aerospace education material to aid in the discussion and review. Use other materials as needed to cover the required items.

#### **Conclusion**

**SUMMARY:** We have continued reviewing the information found in the aerospace education material in preparation for the Amelia Earhart Award Test.

**REMOTIVATION:** It is important that you take advantage of these reviews so you will pass the Amelia Earhart Award Test with flying colors. Passing the Amelia Earhart Award Test will make you eligible to become a Phase IV cadet.

**CLOSURE:** Next is the Amelia Earhart Award Test. **Any questions? See you next week!**
